The Women's Affairs Unit at the College of Education for Pure Sciences organized a workshop entitled **"Mental Health and Mechanisms for Combating Violence Against Women."** Mental health is considered the cornerstone for building balanced and prosperous societies. However, many women face psychological challenges as a result of various forms of violence — physical, psychological, economic, and social. The workshop aimed to promote a deeper understanding of the mechanisms for confronting violence against women by empowering them with knowledge and skills that enable them to protect themselves and advocate for their rights.

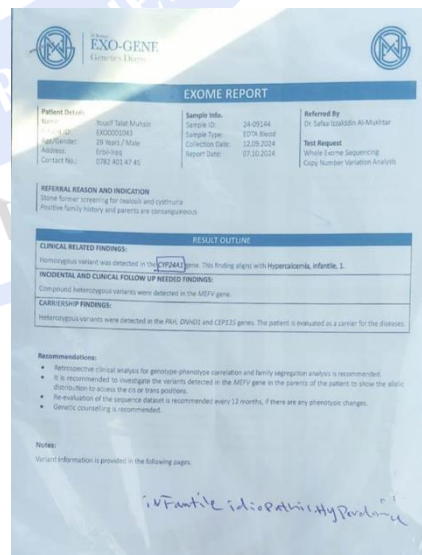

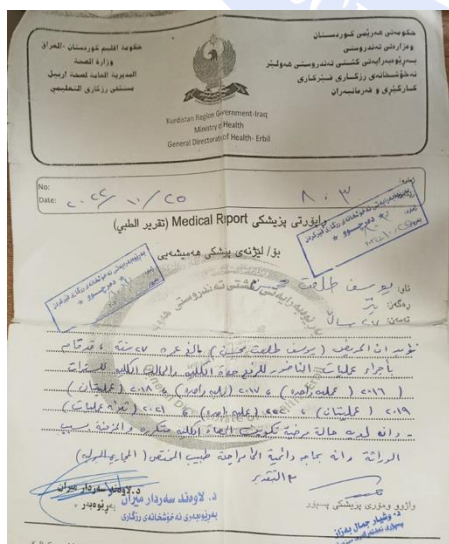

## 5. Community Service No.: 3/3463      Date: 17/12/2024

The Women's Affairs Unit at the College of Education for Pure Sciences, with the participation of the college's teaching and administrative staff, organized an initiative to provide support for some of the needs of students residing in the college dormitories. This initiative reflects the university's commitment to its humanitarian and social responsibilities toward the local community and reinforces its role in achieving sustainable development

## 6. Voluntary Work No.: 3/331      Date: 12/2/2025
