
Registration Requirements

1. Submitting the electronic application form through the electronic portal of the Directorate of Studies, Planning, and Follow-up at the Ministry of Higher Education and Scientific Research.
2. Submitting the original copy of the high school certificate authenticated by the General Directorate of Education in the province.
3. Providing a guarantor's bond according to the model from the Legal Affairs Department in the college (for students admitted through the **Parallel Program**).
4. A colored copy of the **Iraqi Nationality Certificate, Civil Status ID, or Unified National Card**.
5. Three (3) recent personal photos.
6. Medical examination form.
7. The admission results announced on the official university website are considered an official notice to the scientific department to begin student registration. The day following the announcement of results on the website is considered the official start date for registration. Students must register in their respective departments within **15 working days** from the registration start date.
8. Students whose names did not appear in the direct admission results for any reason are granted **10 working days** from the date of the announcement to file an appeal. Students also have the right to appeal their admission result.
9. The student must register in the department where they were accepted even if they have submitted an appeal.

General Admission Requirements

The student admitted to the college must:

1. Be of **Iraqi nationality**.
2. Hold an **Iraqi high school certificate** authenticated by the General Directorate of Education in the province, or an equivalent certificate.
3. Pass the **medical examination** according to the requirements of the study program.
 - For **visually impaired students**, submission is through central admission according to the appropriate humanitarian studies requirements.
4. Be **committed full-time to study**. It is not allowed to combine work and study simultaneously in morning programs. This applies to all government employees, who must obtain an official study leave from their institutions according to current regulations.
 - It is also not allowed to be enrolled in **two different programs simultaneously**. If this occurs, the university will notify the Ministry to cancel the student's admission.
 - In case a student receives **two different admissions** in the same academic year, they must choose one and cancel the other.

Graduation Requirements

1. Successfully pass all courses in the curriculum for all academic years.
2. Complete the **graduation project**.
3. Obtain a **clearance form** from the department.
4. Receive **approval from the Department Council**.
